

# X2450

All-In-One with PictBridge.

**The World's Smallest  
All-In-One Printer.**

uncomplicate  
the way you share  
your memories.

Print. Copy. Scan.

**LEXMARK**<sup>TM</sup>

# The All-In-One that's one of a kind

Introducing the Lexmark X2450 - the worlds smallest All-In-One printer. Compromising on size but not on quality the sleek and compact Lexmark X2450 offers photo capability with PC free borderless printing via the built-in PictBridge interface. The new Web Toolbar simplifies printing from the internet while the 15 ppm print speeds, practical functions and user friendly software are designed to help produce impressive results every time. The Lexmark X2450 also features the new Lexmark #1 ink cartridge technology which is both economical and easy to replace.

## Print

- Up to 15 ppm mono and colour
- Prints beautiful borderless 4 x 6" prints in around 38 seconds\*
- Accu-Feed™ technology virtually eliminates paper jams

## Copy

- PC based copying of 4 x 6" photos and documents with the touch of a button
- Copy up to 12 cpm mono and colour
- Prints up to 99 copies
- Reduce or enlarge images from 25% to 400%

## Scan

- High quality, 36 bit flatbed scanner for scanning existing photos or items
- 600 x 1200 ppi scan resolution
- Quickly scan back to your computer
- User-friendly Lexmark Imaging Studio software for easy document management
- FastPics software features simple on-screen directions and icons

Connect your digital camera to the X2450 via the PictBridge port then print in as fast as 38 seconds!\*

## LexExpress™

If we can't fix your printer problem over the phone... we'll send you a replacement printer by express courier

We are so confident in the quality of our printers, and the expertise of our LexExpress on-line service technicians, that we promise to fix the problem or we'll send you a replacement printer. And this service is not just for the big cities - it's available throughout Australia and New Zealand, even in the outback! This LexExpress warranty is applicable to all Lexmark inkjet printers and personal laser printers. So you'll never need to wait for parts or a service technician again - and you'll never be without a printer! Call 1300 362 192 in Australia or 0800 539 6275 in New Zealand or visit [www.lexmark.com.au](http://www.lexmark.com.au) to find out more.
