# The affordable All-In-One

## Fast and efficient

No bottlenecks here! The Lexmark X342n reaches output speeds up to 25 ppm, and offers a rich range of time-saving features, including multiple fax shortcuts, a 50-page Automatic Document Feeder, and colour scanning in various file formats, including editable text.

## Simple for everyone

More than just easy on your budget, the Lexmark X342n is also easy to set up and operate. The cartridges take just seconds to install. And the intuitive backlit display with two lines of text helps end-users carry out printing and maintenance tasks by themselves – with virtually no training!

## LexExpress™

If we can't fix your printer problem over the phone... we'll send you a replacement printer by express courier

We are so confident in the quality of our printers, and the expertise of our LexExpress on-line service technicians, that we promise to fix the problem or we'll send you a replacement printer. And this service is not just for the big cities - it's available throughout Australia and New Zealand, even in the outback! This LexExpress warranty is applicable to all Lexmark inkjet printers and personal laser printers. So you'll never need to wait for parts or a service technician again - and you'll never be without a printer! Call 1300 362 192 in Australia or 0800 539 6275 in New Zealand or visit [www.lexmark.com.au](http://www.lexmark.com.au) to find out more.

Lexmark supports the environment by reducing paper wastage. As one of the many environmental initiatives Lexmark does not pre-print brochures.

In Australia Lexmark partners with Planet Ark to collect and recycle toner and ink cartridges. Visit [www.lexmark.com.au](http://www.lexmark.com.au) for more details.
